**DETAILED ACTION**

***Allowable Subject Matter***

The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record alone or in combination does not teach or suggest the recording apparatus having the combination of elements with their recited structure and arrangement, along with the specific structure of the means for changing the duration of the first power level and the means for irradiating with the second power level after the first power level, as set forth in the claim, and as disclosed in the specification.
